IPC MEMBERSHIP DRIVES QUALITY, RELIABILITY AND CONSISTENCY

NEW! Access company-wide ESD, Foreign Object Debris and Safety training courses — a \$165 per employee value

Our industry manufactures more than electronics. We foster connections and make the world more secure, safe and enjoyable for billions around the globe. Which is why the importance placed upon designing and manufacturing consistently high-quality and highly reliable products continues to grow.

Do what thousands of your electronics manufacturing peers along the entire supply chain have already done to support the industry and keep their standards high —become an IPC member.

IPC MEMBERSHIP IS COMPANY-WIDE AND COVERS ALL YOUR LOCATIONS AROUND THE WORLD.

IPC Members can:

- First-time IPC member companies receive a gift of one electronic single device license IPC standard of their choice
- Be a leader in standards development
- Members receive free access to IPC Community Magazine and 25% off advertising
- Save up to 50% on IPC standards, training, education, and events
- Purchase a subscription to IPC standards through an IPC authorized distributor (separate contract required through distributor)
- Download a free single-user copy of each new or revised IPC standard as they are released, after your membership begins
- Receive discounts on IPC Certifications for both internal and external training (through IPC Certification Centers)
- Exhibit or attend IPC APEX EXPO and other IPC events at member pricing
- Engage in global government relations and environmental policy advocacy
- Access hundreds of technical documents and proceedings on ipc.org
- Receive an exclusive \$500 discount on Exostar — Certification Assistant for DoD contractors to meet and manage Cybersecurity Maturity Model Certification (CMMC)
- Gain access to all the benefits of WHMA membership, an IPC affiliate
- Gain access to studies and statistical programs covering market, technology, and business trends worldwide
- Make purchases via a purchase order

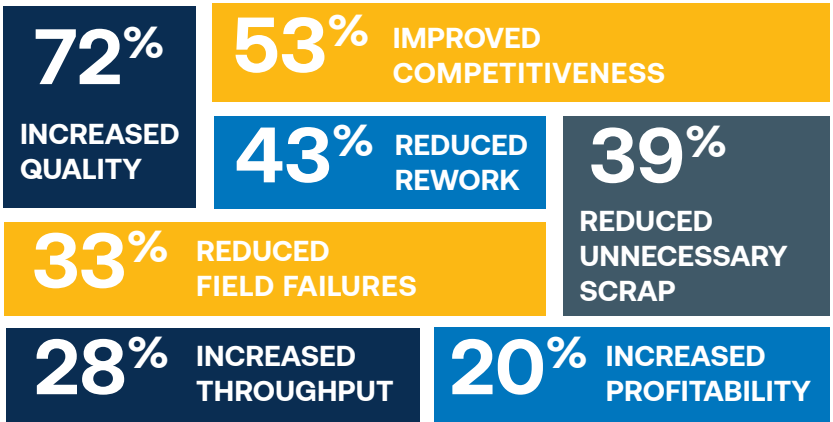

Receive **15% discount** on a three-year membership or **10% discount** on a two-year membership. Discounts apply when multi-year membership is purchased on the same order.

IPC Serves the Industries That Serve Humanity

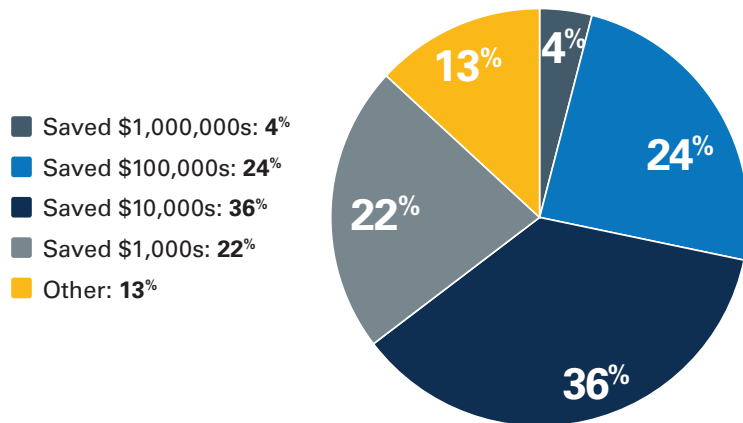

IPC partners with PCB fabricators, EMS providers, Wire Harness Manufacturers, OEMs and suppliers in the industries where quality, reliability and consistency are of the utmost priority.

IPC Members Rank Quality and Competitiveness as Major Benefits
