Website

**For
Registration**

International Companies Interested to Meet Malaysian Companies

SINGAPORE

 **INTERFLUX SINGAPORE PTE LTD**

Producing Soldering Materials for Electronics Manufacturers

 **Techno DIGIM**

Fluid Dispensing and UV Curing technology provider

 **IHHEC**

Distributor of Electronic Components - MLCC

 **Dynacast**

Die Casting, Conduit Nuts, Pipe Plugs and Connectors

 **JIT**

Electronic Manufacturing Services, PCB assembly

 **Visar Components**

Distributor Electronics components

 **Qn2 Quest**

Provide Advanced Gas Purification Technologies

 **Semiconductor Technologies**

Semiconductor Equipment Solutions

 **Plasmatreat**

Surface treatment & nano-coating solutions; bonding, painting, printing or coating

 **Soda Vision**

Vision Technologies, processors, cameras, lens, lighting, and accessories

VIETNAM

 **HANEL PT**

Hanel production and import-export „JSC

Electronic Manufacturing Services, PCB assembly

 **Proview Group Joint Stock Company**

Fabless chip design companies, Software Platform, Invests in high technology

 **An Loc Chemical Informatic Co. Ltd.**

Flux Chemicals

 **Huetronics JSC**

Electronics tool suppliers - Ultrasonic, Microbubble Device

 **Viet Han High-Tech Manufacturing Joint Stock Company**

Manufacturer in the Wire and Cable industry

 **TK technology investment joint stock company**

Comprehensive Lighting Solutions

 **Thanh Giong Computer and Communication Joint Stock Company**

Computer Communications

 **Thang Long Tech**

Automation Equipment Suppliers

HONG KONG

JAPAN

SPAIN

SOUTH AFRICA

Prodigy

Manufacture Custom Printed Circuit Boards (PCB)

Japan Unix

Robotic Soldering and Laser Soldering

JBC

Soldering System with a complete tooling range. Rework any size of SMD components

Prebin Distribution

Electronics Tool Suppliers

PHILIPPINES

EGYPT

Esquire Tech

Repair Solutions

Insite MY

Lead in innovative software solutions for the financial services industry

IMI

Innovative partner for customised solutions

Pearl Semiconductor

Fabless semiconductor company specializing in Reference Clocks and Timing ICs

ATEC

Semiconductor Manufacturing

Device Dynamics

Manual Visual Inspection of complex semiconductor substrates, laminates and lead frames

SUPPORTING ORGANIZATIONS
